Audit Scope

The facility receives product on a refrigerated dock, stores, add ice to few products if needed prior to shipping, and ship. The size of the facility is 35,000 sq. ft. with 15,000 sq. ft. of cooler space. The two freezers and cooler J (where meat is stored) and dry storage area G (where food service dry goods are stored) were not in the scope of this audit. The facility operates with 15 employees year round.
